

The DNA of tech.™

CAPABILITIES AND CUSTOM OPTIONS

POWER ELECTRONIC CAPACITORS

Main Application	Advantage
DC-Link and DC-Filter for traction converters	• Shock and vibration proof
	• High ripple current
	• High reliability and long lifetime
DC-Link for industrial converters	• High ripple current
	• High reliability and long lifetime

SPECIALTY DEVICES

Design Advantage	Application	Series
Low Inductance	Traction	HDMKP 
Space saving, compact design	Power supply	GLI 
Compact axial design	Voltage converters	GLI A 

CUSTOM OPTIONS

Capabilities
Form – diameter and height
Electrical parameters
Threaded stud (bottom of container) can be removed
